Imagine yourself reclining on the sandy white beaches, soaking in the volcanic mud baths of Soufrière, ziplining through lush rainforests, indulging in authentic island food, club-hopping on the Rodney Bay strip, and riding ATVs through the countryside. Envision exploring abandoned sugar plantations, snorkeling in crystal clear waters, chasing brightly colored fish in the shadow of the Pitons, or experiencing a live sea turtle hatching in the last light of dusk. From the local rums to pepper pots, langouste and bouyon, Saint Lucia is known across the Caribbean for her rich culinary traditions. You will experience a palette of flavors that are spicy, warming, and comforting. Immerse yourself in the favorite island dishes harvested from the sea and farm-to-table locally grown produce. Saint Lucia's foodie experience is truly one-of-a-kind and world-class.
